RE: S. E. Cline Construction, Inc.

To Whom It May Concern:

I have had the pleasure of handling the contract bonds for this excellent customer since their inception. We are certain you would be pleased to work with Sam Cline and Vice Presidents Hap Cameron and Scott Sowers and their excellent organization. S. E. Cline has successfully completed numerous projects ranging from small to very large. Fidelity and Deposit Company of Maryland is their current surety. They are Best Rated A,XV. Their Treasury limit is in excess of \$16 million. The surety has authorized projects in the 8-figure range. Aggregate program has never been an issue.

We look forward to supporting S. E. Cline regarding any project they are interested in pursuing. If we can be of further assistance please call me.

Sincerely,

Donald P. Bramlage
Vice President

DPB/an
